

ORA 5 EV

GWM is a globally renowned automotive manufacturer and the parent company of Tank, Cannon, Haval, and Ora.

At GWM, everything we do is grounded in our corporate philosophy: improving little by little, every day. From building world-class research and development systems that enable continuous innovation to following the 'excessive investment' principle that drives industry leadership, we put our philosophy into practice. We are proud to create vehicles that combine the best components, technology, and safety features from around the world, while producing attractive SUVs for customers who take their vehicles off-road and enjoy luxury urban travel.

ORA 5 is our electric SUV crossover, taking the market by storm as a stylish, highly capable EV. We attribute its success to continuous innovation, sustainable design, and a strong commitment to our customers.

SAZGAR is a symbol of Pakistani pride. Founded in 1991, the brand has always been driven by a customer-first philosophy. For over three decades, SAZGAR has led the way in manufacturing excellence and innovation, setting the benchmark for quality, reliability, and progress in Pakistan. Today, it stands as a gold standard, reflecting the very best of what Pakistan stands for.

SAZGAR quickly became a household name in Pakistan's automotive industry, backed by decades of experience, a thriving nationwide dealership network, and a portfolio of innovative, leading-edge vehicles that consistently meet and exceed the company's high standards. With a strong focus on the future, SAZGAR is proud to be Pakistan's first electric three-wheeler manufacturer and the only local OEM to export its 3 wheelers to over 25 countries, including the United States and Japan.
